

# FINISH IN FOUR

**College of: CASNR    Major: ENVR    Option: Natural Resources    Academic Year: 2016-2017**  
**Proposed\* Four-Year Degree Plan**

| Year One               |       |                                   |                        |      |                                     |
|------------------------|-------|-----------------------------------|------------------------|------|-------------------------------------|
| Fall Semester          |       |                                   | Spring Semester        |      |                                     |
| ENVR                   | 1113  | Elements of Environmental Science | ENGL                   | 1113 | Composition I                       |
| AG                     | 1011  | Orientation                       | POLS                   | 1113 | American Government                 |
| HIST                   | 1103  | Survey of American History        | CHEM                   | 1225 | General Chemistry II (or CHEM 1515) |
|                        | 3 hrs | Humanities/International (HI)     | MATH                   | 1715 | Pre-calculus                        |
| CHEM                   | 1314  | General Chemistry (or CHEM 1215)  |                        |      |                                     |
| Total: 14 credit hours |       |                                   | Total: 16 credit hours |      |                                     |

| Year Two               |       |                                    |                        |      |                              |
|------------------------|-------|------------------------------------|------------------------|------|------------------------------|
| Fall Semester          |       |                                    | Spring Semester        |      |                              |
| AGEC                   | 1113  | Intro to AG Economics (S)          | SOIL                   | 2124 | Fundamentals of Soil Science |
|                        | 3 hrs | Course Designated (H)/Diversity(D) | PHYS                   | 1114 | General Physics              |
| MATH                   | 2144  | Calculus I (A)                     | STAT                   | 2013 | Elementary Statistics (A)    |
| BIOL                   | 1114  | Introductory Biology (N)           | AGEC                   | 3503 | Natural Resource Economics   |
|                        | 3 hrs | Related Course                     | ENGL                   | 1213 | Composition II               |
| Total: 17 credit hours |       |                                    | Total: 17 credit hours |      |                              |

| Year Three             |       |  |                        |       |                                       |
|------------------------|-------|--|------------------------|-------|---------------------------------------|
| Fall Semester          |       |  | Spring Semester        |       |                                       |
| AGCM                   | 3103  | Written Comm in Ag Sci & Nat Resources | ENVR                   | 4893  | Soil Chemistry & ENVR Quality         |
|                        | 3 hrs | Related Course                         | BIOL                   | 3034  | General Ecology                       |
| BOT                    | 1404  | Plant Biology                          | SOIL                   | 4683  | Soil, Water, and Weather              |
| CHEM                   | 3013  | Chemistry of Organic Compounds         | ENVR                   | 3113  | Sampling & Analysis for ENVR Problems |
| AGCM                   | 3203  | Oral Comm in Ag Sci & Nat Resources    |                        | 3 hrs | Related Course                        |
| Total: 16 credit hours |       |  | Total: 16 credit hours |       |                                       |

| Year Four              |       |   |                        |       |   |
|------------------------|-------|---|------------------------|-------|---|
| Fall Semester          |       |   | Spring Semester        |       |   |
| NREM                   | 4023  | Restoration in Ecology                    | ENVR                   | 4813  | ENVR Sci Applications & Problem Solving |
| NREM                   | 4443  | Watershed Hydrology & Water Quality       |                        | 6 hrs | Gen Ed (A, H, N or S)                   |
| ENVR                   | 4811  | Professional & Capstone Planning          |                        | 6 hrs | Related Courses                         |
|                        | 3 hrs | Course Designated "N"                     |                        |       |   |
| POLS                   | 4363  | Environmental Law & Policy (or NREM 4043) |                        |       |   |
| Total: 13 credit hours |       |   | Total: 15 credit hours |       |   |

\*This plan is only one example of how a student may successfully complete degree requirements in four years. Students are responsible for completing requirements as given in the official degree requirement sheet for each major.
