Landscape Architecture is an accredited five-year program; this plan is an example of how a student may successfully complete degree requirements in five years. Students are responsible for completing requirements in the official degree sheet for each major. It is mandatory for a student to meet with an academic advisor prior to course enrollment each semester.
*Courses offered every other year.*

Courses offered every other year information.
LA 4423 Planning & Design for Sustainable Landscapes — Spring 2018 & 2020
LA 4433 Land Use & Community Planning — Fall 2018 & 2020
LA 3673 History and Theory of Landscape Architecture (H) — Fall 2017 & 2019
LA 3682 Professional Practice — Spring 2019 & 2021

** All landscape architecture students are required to complete LA 3010: Landscape Architecture Internship for a minimum of 2 credits. Students that are on-track or ahead of schedule have the option to complete a long-term internship during the spring and summer semesters of the 4th year. Students enrolled in the long-term internship can receive up to 5 credits toward their emphasis area. Students interested in the long-term internship options should talk with their advisor.
