

**College of Agricultural Sciences and Natural Resources**

**Degree/Major:** BSAG Natural Resource Ecology & Management **Option:** Wildlife Biology & Pre-Veterinary Science

**Academic Year:** 2014-15

**Proposed\* Four-Year Degree Plan**

| Year One               |      |                                  |                        |      |                         |
|------------------------|------|----------------------------------|------------------------|------|-------------------------|
| Fall Semester          |      |                                  | Spring Semester        |      |                         |
| ENGL                   | 1113 | Freshman Composition I           | ENGL                   | 1213 | Freshman Composition II |
| BIOL                   | 1114 | General Biology                  | ZOOL                   | 1604 | Animal Biology          |
| MATH                   | 2103 | Calculus I                       | HIST                   | 1103 | GE                      |
| NREM                   | 1012 | Intro to Natural Resources       | PHYS                   | 1114 | Physics I               |
| AG                     | 1011 | Orientation                      |                        | ---3 | GE (HD or HI)           |
| POLS                   | 1113 | GE                               |                        |      |                         |
| Total: 16 credit hours |      |                                  | Total: 17 credit hours |      |                         |
| Year Two               |      |                                  |                        |      |                         |
| Fall Semester          |      |                                  | Spring Semester        |      |                         |

\*This plan is an example of how a student may successfully complete degree requirements in four years. Students are responsible for completing requirements in the official degree sheet for each major. It is mandatory for a student to meet with an academic advisor prior to course enrollment each semester.
