Ambassadors
Position Description

Purpose
Ambassadors help enhance the image and interest of the agriculture and natural resources industries, the College of Agricultural Sciences and Natural Resources (CASNR) and Oklahoma State University (OSU) at the local, state and national level. Opportunities include hosting events to educate students about careers and educational pathways in the agriculture and natural resources industry, introducing the CASNR experience to prospective students and their families/friends and speaking on behalf of CASNR in a variety of capacities. Additionally, Ambassadors will serve as liaisons to CASNR and OSU alumni, educators and community college representatives.

Programming Responsibilities

Attendance
- Attend weekly Ambassador meetings on Tuesdays at 7:00 a.m.
- Attend bi-weekly prospective student visits

Office Hours
- Ambassadors will alternate bi-weekly to host CASNR prospective student visits from 1:45 p.m. to 3:00 p.m. Duties include:
  - Build recruitment folders (Recruitment material provided by coordinator)
  - Present their CASNR story to the prospective students and their guests
  - Answer questions pertaining to CASNR life
  - Introduce the prospective students and their guests to faculty advisors in their chosen major
  - Follow up with the prospective students via hand written letter
