"I want my résumé or cover letter critiqued."

1. Make sure you have reviewed our Ready Reference handouts on résumés and cover letters.
2. Schedule an appointment by submitting a copy of your résumé and/or cover letter to the secretary in 136 Ag Hall and requesting an appointment time. Appointments will not be scheduled on the same day as you submit your materials. To allow our staff enough time to analyze your materials and make constructive suggestions for improvement, appointments will be scheduled for the following day or any day thereafter.
3. Ask your advisor and/or a peer and/or a favorite faculty member in your department to review and make suggestions on your résumé. Realize that some advice will be contradictory. Don’t worry about it! Our suggestion is to take all of the advice and develop your résumé after considering all opinions.

"I don’t know what to expect when I interview. I need to practice my interview skills."

1. Read over the Ready Reference handouts on interviewing.
2. Schedule an appointment with a career services staff member for a mock interview by picking up the Mock Interview Ready Reference (G8), completing the attached assignment form, and submitting the form with your résumé to the secretary in 136 Ag Hall. As with the résumé and cover letter critiques, appointments will not be scheduled on the same day as you submit your materials. Appointments will be scheduled for the following day or any day thereafter to allow our staff enough time to prepare for your mock interview.
3. Participate in CASNR Mock Interview Day and/or OSU Mock Interview Day. Information on both days is published in the Upcoming Events Ready Reference (B2) and on the CASNR Career Services Web site.
